

How to Apply for the Games Lift Incubator Program

(2020/06/26)

We're looking forward to your application for the Games Lift Incubator. Applications are submitted via this [Online Form](#). Please make sure to carefully read this document in advance.

General

- Feel free to use either English or German language on your application.
- We strongly recommend a consultation appointment with Gamecity Hamburg before submitting your application. Please contact us at funding@gamecity-hamburg.de to set up an appointment and include the name of your project as well as a very short description, information on your team and any questions you might have in advance.
- Check if you are eligible to apply. Eligible applicants are:
 - Natural persons
 - small and medium-sized enterprises (SMEs)
An SME is defined as an enterprise which, at the time of application, has fewer than 250 employees and whose prior-year revenue did not exceed 50 million euros.
 - Team size may not exceed 5 members
 - The precondition is always that the applicant is already based in Hamburg or can prove that they will relocate their residence to Hamburg or open a subsidiary or branch establishment in Hamburg upon entering the Incubator.
- Check if your project matches
Please make yourself familiar with the concept of the Games Lift Incubator. The program involves weekly events and workshops between early September and early December 2020 where all team members should be available to take part.

Application Form

Question 1: Project Name

Naming a project title is mandatory. Working and temporary titles are fine. We use this title to identify your project during the application phase.

Question 2: Short description of your project

In a short text of max. 2000 characters, please outline the project you'd like to work on during your participation in the Games Lift Incubator. This text should include information about:

- what kind of project you want to realize (e.g. game, service, event)
- what stage the project is in now (e.g. ideation, rough concept, demo) and what you want to achieve during your time on the Games Lift Incubator
- what makes your idea/project stand out
- why you want to join the Games Lift Incubator and what you are looking for in the program in regards to your project

Please note that this should give a quick first impression of your project. You can provide more detailed information in your pitch deck.

Question 3: Pitch Deck

This is the place where you can make your project shine! Please submit a PDF file with 10MB max. and make sure not to exceed the limit of 10 pages/slides.

Tell us more about:

- your team and your skills
- your project
- your goals for the project
- your project's target audience
- your idea for an exploitation strategy for the finished product
- what challenges your project faces now or in a future stage
- anything else you think we should know about you and your project

Feel free to include graphical assets of your project if available.

Question 4: Your plans after completing the Games Lift Incubator program

In a short text of up to 500 characters, please outline your current thoughts, plans, or ideas for the project after finishing the Games Lift Incubator Program.

Question 5: Applicant

Please state whether you are applying as a company or a group of natural persons.

Question 5a: Company Information

Please fill out if you are applying as a company. Company name, legal form, founding date and address are mandatory.

Questions 6: Number of Team Members

Please state how many members your team will have.

Question 7: Team Member 1 / Main contact

Please name one team member as the main contact for Gamecity Hamburg. Postal address of your team's main contact person will be needed to send out the contract if you make it through the first pitch.

Question 7a-d : All other team members

Please give personal data for all team members:

- Current Occupation: e.g. „Student“, „self-employed“, „building up own start-up“, „employed“, „looking for employment“,...
In any case, please pay special attention to Question 10.
- Social media and website information is completely optional. If you are actively sharing information/news concerning games, the games industry, game development, or your work on social media/your website, please feel free to share your information.

Please note that the questions for team members 2-5 are only shown if you checked the corresponding number in question 6.

Question 8: Fields of interest for the Incubator program

Please choose one or more fields you're especially interested in learning more about:

- Aspects of Game Development
- Company Setup: e.g. legal aspects, financing, accounting
- Marketing
- Project Management
- The application form also allows naming another field of expertise if the above doesn't fit your needs. Please don't go too much into detail, this is what the next question on the application is for 😊

Question 9: Topics of interest for the Incubator program

Please give some keywords or descriptions of particular topics you'd like to learn more about through the Games Lift Incubator (e.g. „What legal form should we choose when founding a company“, „How to find a publisher for our game“, „Defining target groups“)

Question 10: Availability for the program

The Incubator's program schedule will require you to take part in workshops and information events on approx. 2 days per week throughout the entire duration from early September to early December. If you cannot attend on individual occasions, a short-time notice to Gamecity Hamburg is sufficient. If you are regularly indisposed due to employment, study, or family obligations, please let us know here in advance.

Question 11: How did you learn about the Games Lift Incubator?

Please let us know where you heard of the Games Lift Incubator. Checking the box „Other“ will open a free text field for you to enter any other than the given answers.
